I don't know of a handy document comparing the two states. I haven't done such a thing. Has Peter L. do one? Or Dave before he retired?

Josh,

On Wednesday I am scheduled to present OR CZARA landslides information to the NOAA/EPA Mgmt team. The attorneys have asked for a comparison between OR and WA rules. Have you ever done or do you know if anyone has completed such a comparison? If so, do you know where I could get such a comparison?

Hope you had a good weekend?

Alan
